

Dear Preschool Director:

We hope to help your teachers get off to a great start next fall with access to new ideas from our Fall 2010 Training Event. This year we're focusing on specific activities that your staff can easily incorporate into their curriculum. We plan to offer 4 hours of Bright from the Start (BFTS) approved staff development training on August 3 at St Andrew UMC Preschool. This is a week earlier than usual due to the projected early start date of the public schools.

Sessions are scheduled from 9:00-11:00 and from 11:30 - 1:30. Most presenters will do 2 sessions. Please arrive between 8:30 - 8:45 in order to be ready to start at 9:00. Check-in will again be in the first class - no separate check-in. Greeters will give directions at all entrances. Please carpool!

The registration price includes a sack lunch and drink provided by our mission team to benefit a school in Haiti. Lunches and drinks will be available for pick up immediately after the 1st session.

We realize that you may be hiring new staff this summer. Please just fill in the number of staff you anticipate sending. You may add to the number during the summer, if space permits. A list of speakers for each site is attached for you to copy and share with your staff. We plan to post any additions or changes to the list on the church website. (www.thepumpkinchurch.org)

Mail your school's registration with a check. Please do not ask your teachers to register individually. School registration forms that are postmarked by June 15 earn a discount! Schools on the GA Preschool Association membership list receive another discount! (*Discounts apply to schools that send 4 or more teachers. Subtract the appropriate discount from the Total. Maximum discount per school is \$30.*)

See you in August!!
