June 6 & 7

Wildwood Baptist Church
4801 Wade Green Road
Acworth, GA 30102

Teachers will participate in intensive training activities based on the curriculum, **Phonemic Awareness in Young Children**. The 2-day session is designed for pre-K teachers of four and five year olds. It will acquaint teachers with a variety of activities to confidently instruct listening, rhyming, awareness of sounds in words, proper letter-sound pronunciation, and other literacy development skills that research has identified as essential for success in learning to read. The session is limited to 60 participants. The training will be conducted by certified Master Trainers in Phonemic Awareness. The session will be practical, highly participatory, and designed to ensure participant mastery of the curriculum material.

Current fees are \$99.00 for GPA members and \$129.00 for non-members.

**GPA member schools may pay \$99.00 for each staff member registered to attend the training.*

Fees include a copy of the curriculum (usually \$29) and a boxed set of materials with 200+ pictures needed to teach the activities of the curriculum (valued at \$200). A morning and afternoon break snack will also be provided. Participants may bring their lunch or purchase a lunch at the sign-in table each day. However, all participants **must** remain on-site for lunch. Participants should plan to attend from 8:30-4:30 both days in order to receive credit. We anticipate awarding a certificate for 14 contact hours of training and 6 BFTS approved training hours. Certified teachers may earn one PLU credit. **Details available upon request.**
